ADMINISTRATORS:

Self-Assessment to measure state's family/stakeholder engagement. How are we doing?

QUESTIONS TO ASK YOURSELF:	DID WE ASK THE QUESTION?	DO WE KNOW THE ANSWER?	NO, WE DO NOT KNOW THE ANSWER	NOT SURE, BUT WE SHOULD LOOK INTO THIS
Have you shared the family self-assessment tool?				
Do families have what they need to make an informed decision about participating on this training or event?				
Did we provide: Expectations, time commitment, support available to attend the meetings, etc.				
Do families understand their role and who they represent?				
Is there more than one parent involved?				
Is there a mentor assigned to each parent?				
Is there a reimbursement structure?				
If so, is the reimbursement structure clearly explained to the parent? (with timelines?)				
Have we clearly defined our vision for the family's role/the work of the family?				
Does the family have an equal voice?				
Has your team reflected on any implicit/explicit bias about families in general or specific families?
