

USING YOUR STORY TO TEACH

Storyboard Template

Your story should touch on a personal experience with early childhood services for your child. It could address the positive impact of well-trained personnel or the difficulties in working with personnel who are not comfortable partnering with families.

Your story should demonstrate success or challenge highlighting one or more of the <u>EI/ECSE</u> <u>Standards</u>.

Use the storyboard template to guide you in crafting your story. Alternatively, put this format on a large piece of paper or whiteboard and use sticky notes so that you can organize and revise your ideas.
